Many sufferers from diseases of the

Lung Cure offices.

The Koch Tuberculine Home Treatment, with specially prepared Inhalation Apparatus, is now in successful use in thousands of American homes. This system uses exactly the same treatment that has cured many patients in Washington and vicinity, and which is in successful operation in all the principal cities of the United States.

By the Koch system the healing, oily vapors, laden with the germ-killing "Tuberculine," are breathed directly into the sore places of the diseased lungs and air tubes, killing the germs and curing the disease. Write for descriptive booklet with symptom blank. Patients calling at the office of the Koch Lung Cure, 1235 New York Avenue, Washington, receive consultation, examination and trial treatment free.

Every woman loves to think of the time when a soft little body, all her own, will nestle in her bosom, fully satisfying the yearning which lies in the heart of every good woman. But yet there is a black cloud hovering about the pretty picture in her mind which fills her with terror. The dread of childbirth takes away much of the joy of motherhood. And yet it need not be so. For sometime there has been upon the market, well-known and recommended by physicians, a liniment called

Mother's Friend

which makes childbirth as simple and easy as nature intended it. It is a strengthening, penetrating liniment, which the skin readily absorbs. It gives the muscles elasticity and vigor, prevents sore breasts, morning sickness and the loss of the girlish figure. An intelligent mother in Butler, Pa., says: "Were I to need Mother's Friend again, I would obtain 9 bottles if I had to pay \$5 per bottle for it."
